Father day Train Show

Saturday, June 16th starting at 8:00 AM and ending at 9:00 AM EDT.

On Saturday, June 16, 2012 from 9AM until 4PM, the South Eastern Pennsylvania Garden Railway Society will set up a 40' by 50' floor display to benefit St Paul's Episcopal Church on the corner of Levittown and Millcreek Parkways. In addition to the floor display there will be other train displays, vendors including local model railroading suppliers and outdoor plants, and food. The \$5.00 ticket (children 12 and under are free) will benefit the church as will the Bar-B-Q cooked by St. Paul's own Pastor Mike.

The South Eastern Pennsylvania Garden Railway Society (SEPGRS) is a nonprofit organization whose members own and operate G-Scale trains in their own homes and garden settings as well as setting up displays for various train shows in the Southeastern Pennsylvania/New Jersey area. We are dedicated to the enjoyment, promotion and education of the Garden Railroading hobby. Membership in SEPGRS is \$20.00 per year and is open to all who are interested in any of the aspects of Garden Railroading.

We are asking you to include the above announcement in your publication. We hope to see you at the event on the 16th.
