

Garden scale Starter sets and accessories

PIKO G-Track System
Code 332 solid rails of pure, virgin brass

Ties made of ultra-violet stabilized HDPE for decades of use outdoors.

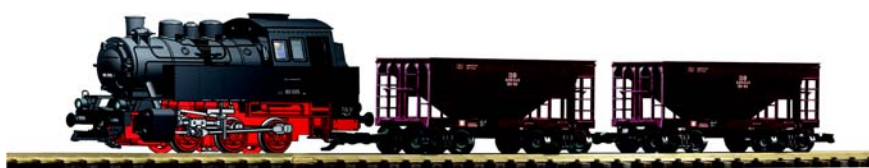

Unique track geometry makes even complex track plans simple to build with only a few types of track sections.

1038100—Union Pacific starter set

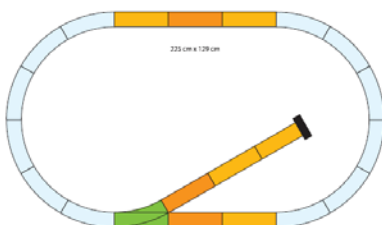

1038101—New York Central starter set

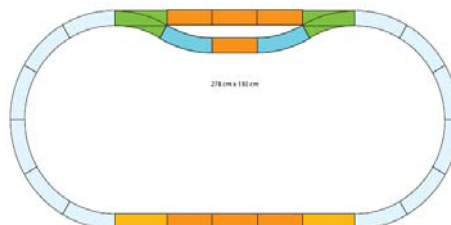

1037100—DR BR80 Ore Train Starter Set

PIKO Qwik Kits
Qwik Kits come partially assembled to give beautiful results in almost no time!
