Welcome to the Denver Marriott Tech Center, **host hotel of the 2009 National Garden Railway Convention**. We are excited to be partners for this 25th anniversary celebration, and we have been working overtime to make sure the convention is a memorable one! Remember to ask about the special rate for the 2009 NGRC attendees.

Our hotel offers 616 guest rooms with new "Clearly Colorado" inspired interior design and renovations. Relax in our comfortable guest rooms, with luxurious bedding, high-speed internet access, and other special touches to make you feel at home. Three on-site restaurants cater to your cravings. Take a moment and pamper yourself at one of our two on-site spas. Stay connected in our full-service business center or forget about it all and splash around in the pool. Whatever you do - it's up to you.
